I'm too sad to cry  
You won't find a tear in my eye  
My baby's gone and hurt me so  
I'm way too sad to cry

I'm too tired to die  
Though my heart has just waved me goodbye  
Why so wrong I'll never know  
I'm way too tired to die

What do I do now? Oh, I don't care  
Where do I go now? Oh, where? Oh where?  
Not thinking straight now, oh, I despair  
Lord, won't You carry me away from here?

I'm too sad to cry  
You won't find a tear in my eye  
My baby's gone and hurt me so  
I'm way too sad to cry
