Immaculate Fools

We talk of changes  
We talk of many things  
When there is sadness  
We re-arrange the dreams  
Those tainted promises  
They fade and die  
We forget so easily  
The love inside

We are enchanted  
We are immaculate  
We are selected  
x2

I looked out my window  
Thought i heard you come  
Looked inside my mirror  
To see what i had done  
Faith hope and charity  
They passed you by  
Call them now they can't refuse  
Get, side by side

We are enchanted  
We are immaculate  
We are selected  
x2  
immaculate fools  
immaculate fools

The pretty tune is at an end  
It's down to you and me again  
All the things that i don't need  
Always seem to follow me  
Every day's a holiday  
Sink or swim  
Laughing as the ship goes down  
We shall live again  
oooH, live again...

We are enchanted  
We are immaculate  
We are selected  
x2  
immaculate fools  
x11
