Romeo:

Yeah, yeah

Look here boo

I'm attracted to you

How many ways

Can I interact with you

My brown sugar baby, you taste so sweet

Finger lickin' good

From your head to your feet

You're thinkin' everybody got a piece of me

Yeah baby

I'm bad as Michael J, see

Billy Jean is not my lover

Go and see the ebony lover

Batman:

Watchin', moving slowly in the dark

Chocolate dreams those feelings bout' to start

In my mind everytime it's me and you

One more dance

Baby, love me now and through

Chorus

Bring your lovin' home my baby

Bring it home to me

I just wanna know if we can still swing

Round and round with you my baby

Up and down with through

Bring your lovin' home my baby

Whoo hoo

Batman:

Still in, feelin more in love with you

When you dance I feel my hands on you

Come with me I'll show love that's true

Baby, oh, what can I do for you

Still in love

Moments shared

Round and round

Dancin'

Dancin' in your heart tonight

Chorus

Romeo:

I got what you want, don't sleep
Cartier links (what) Persian minks, what
No pressure lil' mama
I keep you in Gabbana
I keep you in the Donna
You wearin Karen
Got people starin at you
Because of things that I do, boo
Haha, haha, haha
Now bring it to the Rome

Chorus
