my love, do you ever dream
of candy coated raindrops?
you're the same, my candy rain.

Have you ever loved someone,
so much you thought you'd die?
given so much time, you'd tell
it seems the only way?
tell me what and i'll (and i'll) give to you (you)
'cuz you are

My love, do you ever dream
of candy coated raindrops?
you're the same, my candy rain.

my love, did you ever dream
that it could be so right?
i never thought that i would find
all that i need in life
all i want
all i need
now i know, i know i found it in you (i found it in you)
'cuz you are

my love, do you ever dream
of candy coated raindrops?
you're the same, my candy rain.

(interlude)

my love, do you ever dream
of candy coated raindrops?
you're the same, my candy rain.

My love (tell me)
do you ever dream (have you ever loved someone)
of candy coated raindrops?
you're the same, my candy rain.
