Common:it's just a fly love song what
Mary J:mmmmm
Common:it's just a fly love song what
Are we livin in a dream world
are your eyes still green girl
i know you're sick and tired of arguing
but you can't keep it bottled in
jealousey we got to swallow it
your heart and mind baby follow it
smile happiness you can model it
and when you feel opposite
i just want you to know
your whole being is beautiful
imma do the best i can do
cuz i'm my best when i'm with you
Mary J: come close to me baby
let your love hold you
I know this world is crazy
what's it without you
nothin nothin
Common:
Put down your bags love
I know in the past love
Has been sort of hard on you
but i see the God in you
I just want to nurture it
though this love may hurt a bit
We dealin with this water love
you even give my daughter love
I wanna build a tribe with you
protect and provide for you
the truth is I can't hide from you
the pimp in me may have to die with you
Chorus: come close to me baby
let your love hold you
I know this world is crazy
what's it without you
nothin nothin
Bridge:
I know what you're thinkin
you're on my mind
you're right

you're right you're right
you promise so fast
you just might take that flight
I hope you're not tired tonight
tonight tonight
Common:(Verse three)
You help me to discover me
I just want you to put trust in me
I kinda laugh when you cuss at me
the aftermath is you touchin me
it's destiny that we connected girl
you and i we can affect the world
I'm tired of the fast lane
I want you to have my last name
Chorus:
Bridge:2X
