Good evenin', y'all (Hello, where' s the music)
Today's lesson funk, shall begin in just a few
(Immature)
We're gonna drop some signs on you about, two
No three, no, yeah three, " Funketeers"
Yeah, let's see on the scale from 1 to 10 on your funk
meter
How do you rate your funk?
What these 3 dope brothers gonna be droppin' some
new jack funk for you
Comin' at you in the nine-two
Straight takin' over thangs
Yeah, with the crazy hype ghetto beats
Smooth ballad, kickin' R&B, with a hip-hop cut
Or should I say hip-pop
Yeah, pschological is definitely the concept
Bringin' you that , excitertainment
Immature, and the disciples of the new funk era
The new-jack funk thing
Marq, Romeo, and Don
