Chorus

Oh get down
To this groove thang
Oh, oh get down to this groove thang

(LDB kick the flow)
LDB's gonna start the flow
Here I go so that u know it's no joke
People better recognize
We put the flava in your ear
What 'cha wanna hear
We got this flow

Romeo here we go
I got my walkman on got it on my ear
Listenin' to a groove
A groove I wanna hear
I think I'mma write a rhyme that 'cha like
Make ya' mind feel right (say what)
No kiddy kinda flave Its not in my nature
No bubble gum type of flow
So I simplify my rhymes
So I got much flava
Romeo Romeo on his worst behavior

Chorus

(LDB LDB LDB kick the flow)
Start start groovin' get up off your feet
LDBs givin' u the beat
Temperatures rising no surprising
The beat is bumpin'
We got the party jumpin'

(Romeo where u flow)
Romeo Romeo here I go
So let me take a moment or two so I can flow
Let me take you on a ride
Let me look into your eyes
Oh baby baby baby
(oh maybe maybe maybe)
Let me take the time so u can be my baby

Oh baby baby baby
(oh maybe maybe maybe)
You can be Rome's
