Romeo Rap 1

I makes all the money, uh

I makes all the money, uh

I makes all the money, uh

I makes all the money

Rome's got all the mummies, check it

Spendin' 30 g's on clothes, not sweatin' it

Yo wait, you see the SL 500

Tripp, I gotta answer my flip

Let's see, what my next move will be

I gotta grip, for all da honies, for all da honies, for all
da honies

Haha haha haha

Verse 1:

The summer breeze

You're holding my hand

Girl you don't understand

Exactly what your doing to me

Memories

Reminding me of you

And all the things you do

Has got me hooked on lovin' you

Bridge:

You and I (You and I)

We were meant to be (We were meant to be)

I'll give you everything you need (Everything you need)

You and I (You and I)

Our love remains (Our love remains)

As long as we don't play no games (play no games)

Chorus:

I'll give you all of me

Can't you see

No matter what they say

I'll give you everything you need

You got a hold on me

Can't you see

I'll never change my ways

I'll give you everything you need

Verse 2:

Reminisce all night

Just kickin' it

Even when you're miles away
My heart belongs to you only
Try to try
In love one one time
I won't let you down
Just believe in me
(Repeat bridge)
(Repeat chorus)
Romeo: Rap 2
Rome, makes all the money
Check it
24K Rolex
Reck it
Money-makin' rebel, laced
Put all the cash in the suitcase
Mmmmm...
Respect the way I freak the track, the way I freak the
track, the way I freak
the track
Don't hit the pause
Got yo head swingin' back
Haha haha haha
(Chorus to fade)
