The feelings on
To the break of dawn
The party's on
Lover's groove

Let me take you on a ride
To a place where the ladies freak yo mind
Only Romeo knows where the honies go
And I got the freak of the week
So let me take you to the love land
Where the feeling's right and the girls look tight
'Cause there's nothing else to do on this crazy filled
night
Nothing else to do on this crazy filled night

The sun is shinin'
The girls are fly
All the lovers around, well well
Everybody's on the street
Doin' the freak
Baby freak with me
In the lovers land

The feelings on
To the break of dawn
The party's on
Lover's groove

So I'm feelin high right
I got the vibe, you got the vibe
Freaks come out at night
So get your groove on
Party all night long
So I got the freak with the big ole butt
I got nothin but love for you baby
So let's ride, to the lovers groove

The beat is creepin
Real fly flava
A crazy cray vibe
All the lovers out tonight, well well
Bodies shakin, love makin

To the lover's groove
Where you can kick it

The feelings on
To the break of dawn
The party's on
Lover's groove

Yeah, LDB's kickin it the lover's lane, yeah
With the lover's, in the lovers groove, unh, yeah
This how we do it, unh
Yeah, with all the lovers in the lovers lane, yeah

The feelings on
To the break of dawn
The party's on
Lover's groove
