Friends come a dime a dozen  
And I know that I'll never find a friend like you  
And that's why I wanna sing this song  
Wherever you are, I just want to let you know  
That I'll never lie to you again, I promise

I will never lie again  
'Cause you will always be my friend  
I will never lie again  
'Cause a friend like you will last forever

Sitting in my window, thinking of you  
All the fun things we use to do  
I feel the pain, please come back to me  
'Cause a friend like you will only  
Come once in a lifetime

I will never lie again  
'Cause you will always be my friend  
I will never lie again  
'Cause a friend like you will last forever

On the phone when you were here  
Laughing and joking, cryin' and sulkin'  
In my dreams you're still with me  
'Cause a friend like you will only  
Come once in a lifetime

I will never lie again  
'Cause you will always be my friend  
I will never lie again  
'Cause a friend like you will last forever

When I think of you, I think of someone special  
And how it used to be  
I know you'll always be my friend  
I'm so sad it had to end, oh yeah, baby

I will never lie again  
'Cause you will always be my friend  
I will never lie again  
'Cause a friend like you will last forever

I will never lie again  
'Cause you'll always be my friend  
I will never lie again  
'Cause a friend like you will last forever  
I will never lie again
