Chorus

I can't wait

For the day

For you to show me your love

Show me your love

I never met

A girl so fine

You seem to be

Always on my mind, my mind baby

And there's nothing I wouldn't do without you girl

I can't wait for you, to show me your love

Chorus

I need to know

Tell me whats on your mind

Is it me, or am I living in a fantasy

I work hard for mine giving you what you need

Trust in me and forever our love will be

I got a natural vibe, a natural vibe

Romeo here I go

Here I go let me flow

I'm feeling kinda melow

Icing on a cake

Chocolate covered treat

I got all the freaks

You're my baby boo

Cuz I was made for you

Show me your love

Chorus

I got the fine little, fine little lady

The one with the big ole' butt

So put your money where my mouth is

Baby baby, I like this

Chorus
