Chorus

I can't wait  
For the day  
For you to show me your love  
Show me your love

I never met  
A girl so fine  
You seem to be  
Always on my mind, my mind baby  
And there's nothing I wouldn't do without you girl  
I can't wait for you, to show me your love

Chorus

I need to know  
Tell me whats on your mind  
Is it me, or am I living in a fantasy  
I work hard for mine giving you what you need  
Trust in me and forever our love will be

I got a natural vibe, a natural vibe

Romeo here I go  
Here I go let me flow  
I'm feeling kinda melow  
Icing on a cake  
Chocolate covered treat  
I got all the freaks  
You're my baby boo  
'cause I was made for you  
Show me your love

Chorus

I got the fine little, fine little lady  
The one with the big ole' butt  
So put your money where my mouth is  
Baby baby, I like this

Chorus
