Ooh ooh baby
Immature's back, back, back
Ooh ooh baby baby, ooh ooh baby
Romeo, L.D.B., Bat (Bat, Bat)
You wanna get with me tonigh
Ooh
Baby, tryin' me, givin' me... all your love
I will never do you wrong
Baby, won't you let down your guard
Then maybe, we can go real far
(Chorus)
Ooh ooh Baby
Say you wanna stay the night
You know you gotta brother high
I'll come and pick you up in my ride
Ooh ooh baby baby
Baby, I'll be there to get you, around one
So we can go chill and have some fun
Baby, let's cuddle, 'til the sun comes up
And Baby, you know that I love you so much
(Chorus)
(Rap by Romeo)
One, two, three, get down like that
You didn't know? Well understand
We can move from the front to the back
Watch me make you feel like that?
Make the move's, you don't like the rules
Take no fools, if that's cool
Romeo I never lose
With tha girls I choose

Do you think we're tight? (Yeah)
