Fly like an eagle through the sky

Makin more money than you can and I don't try

I'm on that level

That money makin rebel

Checkin for my pay no way

Can I settle for less than the best

When I make that purchase

And watch my material needs will surface

Thats the only way I swang

Watch the way I do my thang

I can do anything

I wanna do in my life

You, you know you like the way

I kick my game

I'm not ashamed to do my thing

Right now I feel so good inside

Doin what I want

Right now I feel so good inside

Doin what I want

Chorus

Watch me do my thing

I like to do my thing

Watch me do my thing

Everybody sing

Lady I'd do almost anything for you

Anything your heart desires

It's easy to fulfill your needs

Because you believe in me

Right now I feel so good inside

Doin what I want

Right now I feel so good inside

Doin what I want

Chorus

Yo Batman and Romeo give me the mic so i can flow

LDB make it funky from here to Mexico

I can do it fast or slow it really doesn't matter though

Cuz I'm a pro what you say you wanna take me toe to
toe

Uh no dude I don't think so

My crew is strapped my style is phat

And Immature's got my back on this funky track

You want fries with that

Coo Coo Cachoo what you gonna do

Chorus

Welcome to the hip hop the home of hip hop

You don't stop the way we rock, you Batman

24/7 around the clock this is Eddie here from Good

Burger...

Chorus
