I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

Thinkin' of you is all I do  
Daydreamin' about my boo  
Crazy days, I like your silly ways  
Just thinkin' 'bout you, what can I do?

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I know our love is real, you make my mind do flips  
It's funny how you make me feel  
Toss and turnin' in my bed  
My time is just for you  
Twenty four seven our love is true

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

We got it, Mike Daddy

We got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

I'm givin' you all my time  
Just come and feel the flavor  
Whether it's rain or shine  
'Cuz we got it

Don't you wanna feel the funk?  
What we got is what you want  
Don't you wanna feel the funk?  
What we got is what you want  
Don't you wanna feel the funk?  
What we got is what you want
