This song is dedicated to my mother
Who I really loved a lot
And who I lost
I love you...
Forever

Chorus:
I'm all alone
Alone
In this whole world
With no one by my side
But you
Now you're gone
Now you're gone

Repeated

1st Verse:
Everyday, I hope and pray
You'll come back in my life
You were my friend
My confidant
I treasure every moment with you
Oh what am I supposed to do
My mother and my friend
Until the forget

Chorus: Repeated 2 times

2nd Verse:
The smile you gave
The way we played
You gave me all my strength
When I think about life
I know you'll always lead my path
Apart of you is still in me
Which means we're always together
Forever...
You'll always be
You'll always be
Apart of me

Chorus: Repeated 2 times

Bridge:

You gave me your love

I treasured your love

I miss you

I gave you my love

Oh, oh, oh

I know that you love me

I know you will protect me

I love you so much

I don't want to be alone

Chorus: Repeated 5 times
