Yeah, yeah
Look here boo
I'm attracted to u
How many ways can I interact with you
My brown sugar baby, you taste so sweet
Finger lickin' good
From your head to your feet
You're thinkin everybody got a piece of me
It may be
I'm bad as Michael J, see
Billy Jean is not my lover
LC the ebony lover

Batman:
Watchin', moving slowly in the dark
Chocolate, dreams those feelings bout' to start
In my mind everytime it's me and you
One more
Time spinnin up and down we're through

Chorus:
Bring your lovin home my baby
Bring your love to me (Bring it home)
I just wanna know if it is still sweet (Honey)
Round and round wit you my baby
Love me now and through
Bring your lovin' home my baby
Ooh Ooh (sugar)

Batman:
Still in feelin' more in love with you
When you dance I feel my hands on you
Come with me I'll show love that's true
Baby, oh, what can I do for you

Still in love
Moments shared (moments shared, moments shared)
Round and round(Round and round)
Dancin'
Dancin' in your heart tonight (in your heart)

Chorus

Romeo:

I got what you want, don't sleep
Cartier links (what)persian minks, what
No pressure lil' mama
I keep you in Gabbana
I keep you in the Donna
You wearin Karen
I got people starin
At you
Because the things that I do, boo

Now bring it to the Rome

Chorus (2x)
