Chorusx2:

Your love is sweeter than candy  
Keep swingin?? it my way  
That??s the only love that I will ever need

Batman:

Look at me, acting like a child  
I can??t keep this smile off my face  
It??s been awhile, since I felt your warm embrace  
Tonight I??ll love away

Bridge:

You got that something  
When you pour it on like rain  
It??s sweeter than a candy cane  
Just keep it comin??  
Cause you know I like the way  
Girl you make me say

Chorusx2

Batman:

Carefully, I put your hand in mine  
As you take me to the special place  
With your style, you know you drive me wild  
In your arms I want to stay, forever and today, day, ay,  
ay

Bridge

Chorus

Bridge2:

Taste it and see  
How good our love could be  
Take it and be  
All the around ??til ecstasy  
Total-ly  
You for me and me for you  
I??ve got to have my candy
