Hey there lady  
Your on my mind (on my mind)  
I think about you everyday  
I think about you all the time (all the time)  
Wonderin' if (wonderin' if)  
Somebody else is lovin' you (whose lovin' u)  
'Cause nobody in this world  
Makes me feel like you do

Chorus  
I can't stop the rain  
Get down with the Immature flavor  
I can't stop the rain  
Get down with the Immature flavor  
I can't stop the rain  
Get down with the Immature flavor  
Take the pain  
Just like the rain falls from the sky  
Thats how my heart feels inside  
Since you've been gone

I admit (I admit)  
I acted just like a fool (like a fool)  
Playin' on your emotions (emotions...)  
Girl, I shoulda been good to you (should of been good to you)  
Your love for me  
Was ever so true  
Ooh...baby (baby)  
And thats why  
I'm gonna make it up to you

Chorus

Romeo Romeo  
Romeo Romeo  
Romeo Romeo  
Romeo Romeo here I go

Chorus
