Jerome:

I makes all the money, uh...

I makes all the money, uh...

I makes all the money, uh...

I makes all the money

Rome got all the mommies, check it

Spending 30 g's on clothes, not sweatin' it

Yo wait! You see the SL 500

Tripp, I gotta answer my flip

Let's see, what my next move will be

I gotta grip, for all the honies, for all the honies, for all
the honies

hahahaha...

Batman:

The summer breeze

You're holding my hand

Girl you don't understand...

Exactly what you're doing to me

Memories...

Reminding me of you

And all the things you do...

Has got me hooked on lovin' you

Bridge:

You and I...(You and I)

We were meant to be (we were meant to be)

I'll give you everything you need (everything you need)

You and I...(You and I)

Our love remains (our love remains)

As long as we don't play no games (play no games)

Chorus:

I'll give you all of me

Can't you see?

No matter what they say

I'll give you everything that you need

You got a hold on me

Can't you see

I'll never change my ways
I'll give you everything that you need

Verse 2:
Reminisce all night
Just kickin' it
Even when you're miles away
My heart belongs to you on-lay
Try to try
In love one one time
I won't let you down
Just believe in me

Bridge

Chorus

Jerome:
Rome, makes all the money
Check it
24K Rolex
reck it
Money-makin' rebel, laced
Put all the cash in the suitcase
Mmmmm...
Respect the way I freak the track, the way I freak the
track, the way I freak the track
Don't hit the Pause
Got yo head swingin' back
Hahahaha

Chorus till end
