Batman:

I'm reminicing on all the times we shared,  
I can't seemed to forget the times that we've spent,  
And I miss  
Your pretty smile just seemed to  
brighten up my day,  
I want you here with me,  
I'm callin' out your name

Hear me, my pretty girl,  
You're on my mind,  
I wanna hold you,  
In my my my my arms  
Tonight lets make it right,  
Unless we're face to face you can't relate to what I have  
to say

(I'm not a fool)  
I'm not a fool,  
(Please don't break my heart)  
Please don't break my heart,  
I'm dreamin' about you and I need you in my life.  
(I'm not a fool)  
I'm not a fool,  
(Please don't break my heart)  
Please don't break my heart,  
Please don't break my heart,  
Please don't break my don't break my heart

LDB:

I'm sitting in my window watching cars go by,  
And hoping that one,  
You will be inside at night,

Batman:

I want you here with me no explanation goes,  
You move the way as if you feel, that's for sure,

No no my baby girl,  
I wanna hold you in my arms  
(Tonight) Tonight let's make it right

Unless we're face to face,  
you can't relate to what I have to say

(I'm not a fool)  
I'm not a fool  
(Please don't break my heart)  
Please don't break my heart  
I'm daydreaming about you  
and I need you in my life  
(I'm not a fool)  
I'm not a fool  
(Please don't break my heart)  
I want you in my life..

(repeat...to fade)
