Daz:
(with batman on the first line or 2)
Baby you! Keep freakin me tha way u do! Be yo self
and will (you stay true!
baby you stay true!) Ha ha! It's all about 5 10's 20's...
50's and 100's cash money..
See ain't a damn thing funny when it comes to honey..
it's all money
don't act funny!
See baby notice tha way that i shake, rattle and roll...
I got u all in control got you all in my mode..
See conversation runs all...
And without it can't fall
small things run large
and with that I'm in charge
Cuz you chillin with the villian every time of tha flow
LDB, Batman and Romeo
Catch us chillin in tha club
showin' everybody love
Got tha whole crowd sayin' what u thinkin' of??

Chorus:
(til fades)
