Chorus:

I wanna pay u back
For the things u do for me
I love u so
Never let u go

You give me all your lovin'
And I wanna give u mine
Cuz someone needs 2 pay u back for
For being so fine
I'll lay u on my magic carpet
And take u on a lover's ride
Cuz I never met a girl who loved me
Let me lay it on the line

Chorus

If I ruled the world I'd give u
Everything your heart desired
Rubies as red as your lips
And diamonds shinin' bright as your eyes
I'd build a castle on a mountain
Way up in the sky
A million dollar bill for every moment
Cuz girl u are so fly

Chorus

Wassup up this Romeo
And I just wanna let u know
That I love u
And I like 2 pay u back for lovin' me

Chorus
