Chorus:

I love u, u know it
I ain't too proud 2 show it
When it's love

What will I do for love (what will I do)
My love is real
Girl u know u know u know
You knock me out
You give me good love
Without a doubt (without a doubt)
No one can tell us
What 2 feel inside

Chorus

You're so understandin' my friend (your so
understandin' my friend)
There through think 'n' thin)
So girl lets not pretend (girl lets not pretend)
Whose 2 say
what's write or wrong
Our love is strong (love is strong)
Girl u know our love is on
Its on.....

Chorus

Girl u know u knock me out
Without a doubt
Nothing on my mind but u
'Cause your my boo, my boo, my boo
Your so understandin' (understandin')
My friend through the end
Through think 'n' thin
So don't pretend
So don't front on my love
'Cause I get deep in love
