Awaiting messiah
To save us from sin
A second hope
His reign begins
Born of virgin
To conquer mankind
Deity from hell
Satan divine...

Christ possessed
I am born...

Twist of scripture
Christ possessed
Come forth with wrath
Evil obsessed
Hatred and war
Sadistic spell

Swallows the Earth
Thanks be to hell

Christ possessed
The pain has come...

Praise the day the Christ child is born
Born of woman, to evil he's sworn
To rule mankind like no other before
Unholy throne, Christ adore

Arise in flames... I am born
I rule with fury... I rule with scorn
Evil will conquer... and forever will be
Bleed in pain... kneel to me
