Sons of northern darkness
Under the throne of the moon
United with forces of evil
And infernal doom

Lords of tragedies storm
As the valleys gates opens
Decayed lands of sorrow waits below
Storming through red clouds and holocaustwinds

Eyes in blades shining
Blades in eyes shining
Sons of nothern darkness
Under the throne of the moon
United with forces of evil
And infernal doom
Storming through red clouds and holocaustwinds
Demonized by the closing Nordic lights.
