Call us the Devil  
But it's you who holds the darkest heart  
Call the weak to arms  
Savage words to your savage world

Abusing control... Menacing all

Call yourself the victim  
But it's you who walks a vicious path  
Call them to the mayhem  
For you they'll lay down with the dead

Rabid conviction... uphold the threat

A swarm of terror  
Across the land  
Spreading sickness to curse the world

Punishing judgment  
Will bring the end  
Cast the nightmare to take down mankind

A swarm of terror  
Across the land  
Spreading sickness to curse the world
