I lift my soul joyfully  
If not, my life will end painfully  
Extol He who rides above the clouds  
Majestic and glorious  
Reigning victorious

Exalted to His name  
Far above the Earth  
But below is where I'll see  
Unmoved by Your praise  
High above the heavens  
Resounding out His name  
Far below are my beliefs

Your majestic light shines down upon me  
I turn my face... and shut my eyes  
For Your light casts darkness upon my world  
A world I've not chosen... to dwell within  
For those who judge me by Your standards  
Say I'm unworthy... of Your grace

Enthroned upon their praise

Pethroned with my disgust  
Unworthy of Your glory  
You turn Your back on me

You are Jesus  
You are Lord  
Imperfect God  
You are nothing to me  
For this You say  
I'll burn for eternity

Jesus Christ  
You are Lord  
You are God  
But have You won over sin and death  
Victory's crown shall be ours  
For we are those  
Those You've left behind
