"Your Angel Died"

Angel of beauty
Angel of the spirit
Come down and walk among us
Let the spirit die within you
Shed your ties to God
Shed your holy grace
Come down and walk among us
Be tempted b the flesh

Denounce he who keeps you
Turn away from his light
Let your eyes feast upon
The debauchery that awaits
Indulge in your desires
Taste the fruits of sin
Angel of the spirit
Become one of the flesh

I will tempt you
Child of light
Show your weakness
Child of God

Revolted by it's weakness
So easily corrupted
Let us plague you with perversion
You've become what you abhor
