Believe the sea high waves  
Upon our coming storm

Hear the roaring tide  
As we name a dawn

See the ice  
In which we craft our souls  
Earth's frozen cries  
The dark benight your kind

Monstrously the seas rage afar  
As if to hide from that which near

Skyward from the sea salt air  
Our vision knew a giant fall

See the ice  
In which we craft our souls  
Life's frozen cries  
The dark benight your kind

A place of utterness  
Beyond the wilderness  
Through a darkened terrain  
That fades in emptiness

Walkers of the dust  
Survivors of the blast

Slowly they move but far  
Behind all time  
Into the solar fall

Believe the sea high waves  
Upon our coming storm

Hear the roaring tide  
As we name a dawn

Monstrously the sea rages afar  
As if to hide from what which near

Skyward from the seas alt air  
Our vision knew a giant fall

See the ice  
In which we craft our souls  
All frozen cry  
The dark benight your kind

The last sunset flame  
Dust of ice drifts the Earth  
Lightning plays  
In depths of no rebirth
