[Malik]

Yo, check it out
Coming right back at you
with another slamming hit
Illegal in the motherfuckin house
With Erick Sermon, takin over in the 90's,
youknowhatI'msayin?
E-Double on the solo tip
and this how we gonna do it
We gettin buzy on this track
Aiiyyo, check it
Do ya like this

Malik'll play the lawnmower, and Kris'll play the grass
I just ate MC's, cause why? ABC whipped!
Illegal cuts that ass, the way that I will punch you
wouldn't think I was a kid G, that's why I took the time
out
to say that I gets buzy, like Dizzy, Gillespie
So suckers stretch your eyes, but you still couldn't see
me
Now, skippidy-doo-dah, di-di-di da-di-day
I don't need no permission, I still come out and play
To Uncle Sam I say, "Scram!" Say my numbers aren't
enough
but to get wreck with the army, all I have to be is rough
and tough, and no need to lie about my age
Just get fly with my tongue, and go on a rampage
I'm going off, because it's Little Malik
And no sucker, it's not all about maturity
Now if you want beef, fuck it, cause a fuss
And no, little kids, this ain't nothin for Da Youngsta's
Ya can't even see me
It's no relation, so we can't run in the family
Yeah, and I'm still the boss
Cause I'm a straight up nigga, ain't nothin bout me Kris
Kross...
... you little rejects
I have the intellect to get respect, I'm gettin wreck
Don't even try to scam, because you're no threat to me
Can't rate ya, who rhymes, sellin Jermaine's life stories

[Chorus:]

[repeats in background: Slick Rick] "For all of y'all,
keepin y'all in health"

I getz buzy

I getz buzy on this track, cause I getz buzy

Malik getz buzy on this track, cause I getz buzy

Malik getz buzy on this track, cause I getz buzy

Malik getz buzy on this track

[Jamal]

I getz buzy with my shit, you shouldn't shoulda fucked
with me

I'm not a ordinary kid it's the Illegal shit G

And with Malik, my shit'll be pumpin, you're punkin

You step out ?like the fuck in it? just like a pumpkin

Swingin bolos, and buckin buckshots

So when you look in the mirror, it be Illegal on your
knots

So my advice to you is fade, stay out my way

Cause I'm a young bull on a rampage, I don't play

Jam that was a dopefiend, my rhymes and crews are
fat

Check out my ryhmes, and now check my gat

because I'm always strapped pack with a loaded rhyme

And steppin niggaz get knocked off, from here to
Zimbabwe, out

Cause I ain't havin that shit, in ninety-three

Cause if you fuck with this shit, you gotta fuck with
Malik, uh-huh

You call me pussy, come and play you get fucked

But if your bitches is burned, I call her shit out of luck

[Chorus:]

[repeats in background: Slick Rick] "For all of y'all,
keepin y'all in health"

I getz buzy y'all

Jamal getz buzy on this track, I getz buzy

I getz buzy on this track, Jamal getz buzy

I getz buzy on this track, I getz buzy

Jamal getz buzy on this track

[Erick Sermon]

Ahhhhh, make me wanna holla ("RRAAAAAOWWW!")
scream like Busta

And get down, get down, from 'You a Customer'

Cocaine hit, E-Double the shit, yo

I'm swifter than Flash when I'll be cracking that black
ass

Like this, my style's mackadocious
and rumpshaking, like the bumba claat Jamaican
Who can see me? My rap format is cock diezel
when I be rockin with Illegal
It Smells Like Teen Spirit, but not Nirvana's
It's real hip-hop music, like Afrika Bambaata's
So step off, heeyyyyyyy, heeyyyyyyy
Yo it's the E-R-I-C-K yo...

[Chorus:]

[repeats in background: Slick Rick] "For all of y'all,
keepin y'all in health"

I'm gettin buzy y'all
I'm gettin buzy on this track, I getz buzy
Erick getz buzy on this track, I getz buzy
Erick getz buzy on this track, I getz buzy
Erick getz buzy on this track
