Farewell...

Lengthening pain inside me

Harnessbells...

I hear them calling me

A demon...

Wants me walk in snow

Remain...

My years of silent sorrow

Dome in the sky

Black winds to taste

Shadowed spirits lead my way

Drifting everly alone

Years of silent sorrow

Until I'm home

Bitterness with bitterness

You bitter me

Emptiness with emptiness

You empty me

Darkness with darkness

You darkened me

This journey black before me

Farewell...

Nothing breathes within me

Harnessbells...

Sounding cold behind me

A demon...

With frozen eyes opened

This journey black behind me

Dome in the sky

Black winds to taste

shadowed spirits lead my way

Drifting everly alone
Years of silent sorrow
Until I'm home
