WE WILL, suffer under sacrifice  
WE WILL, run to your side,  
WE WILL, suffer under sacrifice,  
WE WILL, watch as our city falls,

[Chorus:]

Will you keep your promise? can we find a way? (can  
we find away)

Will you keep your promise? can we find a way? (can  
we find away)

Will you keep your promise? can we find a way?

(Can we find a way) Can we find a way,

[Chorus:]

Will you keep your promise? can we find a way? (can  
we find away)

Will you keep your promise? can we find a way? (can  
we find away)

Will you keep your promise? can we find a way?

Can we find a way, can we find a way?

WE WILL, I WON'T BE ALONE AGAIN,  
WE WILL, I WON'T FALL THIS TIME,  
WE WILL, I WON'T BE ALONE AGAIN,  
WE WILL, I WON'T BE ALONE AGAIN
