(mos def)

Man you hear this bullshit they be talkin

Everyday man

Its like these motherfuckers is just like professional

liars

You know what im sayin?

So wow

Listen!

(hook - mos def) 2X

Bin laden didn't blow up the projects

It was you nigga, tell the truth nigga

(bush knocked down the towers)

Tell the truth nigga

(bush knocked down the towers)

Tell the truth nigga

I pledge no allegiance

Nigga fuck the presidents speeches

Im baptized by america

And covered in leeches

The dirty water that preaches your soul and your facial
features

Drowning you in propaganda that they spit through the
speakers

And if you speak about the evil that the government
does

The patriot act attract you to the type that you love

They try to frame you

And say you was trying to sell drugs

They throw a federal indictment on niggas

To show you love

This shit is run by fake christians

Fake politicians

Look at they mansions and look at the conditions you
live in

All they talk about is terrorism on television

They tell you to listen but they don't really tell you their
mission

They funded Al Qaeda, and now they blame the muslim religion
Even though Bin Laden was a CIA tactition
They gave him billions of dollars and funded his purpose
Fahrenheit 9/11 that's just scratching the surface.

(hook)

They say the rebels in Iraq still fight for Saddam
But that's bullshit I'll show you why it's totally wrong
'cause if another country invaded the hood tonight
It'd be warfare through harlem and washington heights
I wouldn't be fighting for bush or white americas dream
Id be fighting for my people, survival and self-esteem
I wouldn't fight for racist churches in the south my nigga
Id be fighting to keep the occupation out my nigga
You ever clocked someone who talk shit or look at you wrong
Imagine if they shot at you and was rapin your moms
And of course saddam hussein had chemical weapons
We sold him that shit after ronald regans election
Mercinary contractors fight in a new era
Corporate military banking off the war on terror
They controlin the ghetto with a fear of attack
Trying to distract the fact that they engineering the crack
So im strapped like (lee malvo?) holdin a sniper rifle
These bullets 'll touch your kids and i don't mean like michael
Your body 'll be sent to the morgue, stripped down and recycled
I fire on (house?) niggas that support you and like you
'cause innocent people get murdered in the struggle daily
And poor people never get shit and struggle daily
This aint no alien conspiracy theory
This shit is real
Written underneath the dollar on the masonic seal

(eminem)

I don't rap for dead presidents
Id rather see the president dead
Its never been said but i said presidency.
