On the break of sanity, I meet my antagonist.  
In the field of theology, cannot find but agony.  
You do you believe in me?  
Do I believe in you?  
Who do you think you are?  
Who are you? Are you God?

Where to find some relief, religion is too weak.  
I tear down my belief, foundations of it I seek.  
Do you believe all you see?  
What could I have seen?  
Who do you think you are?  
Who are you? Are you God?

Hypnotic atrocity  
Schizophrenic antagonist  
Trans orbital lobotomy  
Hypnotic atrocity.

Hypnotic atrocity.

Gather words in this heap, is this Christianity?  
I proudly take this leap, to haven of insanity.  
You do you believe in me?  
Don't question my belief!  
Who do you think you are?  
Who are you? Are you God?

Hypnotic atrocity  
Schizophrenic antagonist  
Trans orbital lobotomy  
Hypnotic atrocity.
