[feat. dead prez & Bazaar Royale]

[Intro:]

"What do you see when you're in the dark and the
demons come? "

"I see you. I see you standing over the grave of another
dead president"

[Hook: Bazaar Royale]

I see angels above me

Demons below me

Fighting over heaven, heaven, heaven

It's real

[Verse 1: stic.man]

America's nightmare; young, black, and just don't give
a fuck

Run up in the courtroom and wet 'em up

Got nothing to lose but my handcuffs

Every man must choose to lay down or stand up

It's war time, everything is fair, no fear

When they say the homie murdered the judge, I don't
care

Fuck 'em, he deserved it, long as the homie get away

And don't get caught for the crime, I encourage it

We rootin' for the villain in black

Pourin' out Absolut, salute, niggas is shootin' back

In self defense we bang the pistol like

Larry Davis or Brian Nichols

Every pig, every public official, the boomerang

Is coming back to get you, you reap what you sow

The system you created created a monster

And now you scared cause it's coming back to haunt
you

[Hook x2]

[Verse 2: M-1]

Since we gonna take the blame, I'm a rep my name to
get my aim right

Let's have an overthrow and after party in the same
night

Same height as Huey, same muscle build as Malcolm
With the same circumstances in the hood, you know the
outcome
And read it in the news about your sergeant and your
captain
Don't take this as a warning, just another nigga rappin'
Fuck the way we organizing, fuck the training and the
grapplin'
And fuck them Uncle Toms who call police because we
smack them
And fuck you sympathizers with your middle class
reactions
Cause we bangin' on the system, G'd up, fuck the
factions
And if you didn't know, the G was for George Jackson
And long live his warrior spirit packin' the Magnum
Watching over the soldiers, knowin' niggas be blackin'
When we really need to be disciplined in our ways and
actions
When we get some freedom you niggas can start
braggin'
Till then, inside the blood of my eye, you see the
dragon

[Hook x2]

[Verse 3: Immortal Technique]

I'm like the birth of baby Mohammed, the movement I
started
Can spar with the hardest, the martyr regarded as
Spartacus-hearted
It doesn't matter whose missiles can shoot the farthest
When you're a target in an Afghan Tutoberg Forest
Close quarters combat over corrupted elections
Bilderberg is like cancer, it grows an infection
Nepotism is the gold and the conductor's connection
And ignorance is the prison that the people are kept in
The military ain't there for the people's protection
They're just there to protect an investment
That's why people get arrested, electrocuted, molested
Connected streets are infested with those tired of
protestin'
Traumatized children grow to guerilla garrisons
9/11 generations pale in comparison
And you will learn a lesson repeated through history
That no matter what you think, occupation is not victory

[Outro: Immortal Technique]

Somalia, Kashmir
Nigeria, Palestine
Iraq, bring it back

[Hook x2]
