They corrupted the priceless African image of Isis  
Replaced it with a lifeless anorexic white bitch  
The fashion industry got 'em in a funny spot  
Self hatred leakin' out they mouth like a money shot  
Movie star, Hollywood Babylon fantasy  
Buncha peacock bitches in a cocaine canopy  
And if you healthy they make you think you're a  
manatee  
Look how they invented this euro-centric insanity  
Got you brain washed to the point you bleachin your  
skin  
Blind to the truth, and can't see the beauty within  
Cause ain't nothing wrong with exercisin' to tighten ya  
thighs  
But there's something wrong with contacts that lighten  
ya eyes  
We goin backwards, from hip hop in the park  
To the experiments by Dr. Kenneth Clark  
So after the cannabis im'a hafta handle this  
Release the pressure on her and open her like an  
amethyst

Their lies cant faze ya beauty  
You gotta know who you are  
Stay strong and always remember  
The truth in your heart  
Don't forget there are those who  
Benefit from your scars  
Even I was natural

Check it uh,  
The business of beauty isn't a natural model  
It's built to be the opposite of the cultures we topple  
These magazines got you caught in a hustle  
Cause when you starve yourself  
Your body doesn't burn fat it burns muscle  
And men who don't even like women control the  
business  
That's why the women look like men  
And the men look like bitches  
I break it down as god is my witness  
Remember sambo character-jor character-ristiscs

Now who got the collagen under they lipstick  
Implanted arabic hips surgical sickness  
A bipolar society that claims to be righteous  
Spray paintin artificial melanin  
Tryin to be like us  
Livin in a pathetic epidemic of schizophrenic buying  
Synthetic body with credit  
You mad that I said it  
But you know that I'm right  
Find a natural beauty and get you some natural lovin'  
tonight

Their lies cant faze ya beauty  
You gotta know who you are  
Stay strong and always remember,  
The truth in your heart  
Don't forget there are those who  
Benefit from your scars  
Even I was natural

Their lies can't fade your beauty  
You gotta know who you are  
Always remember, truth lies in the heart
