(Yeah motha fucka, Immortal Technique  
Harlem, Washington Heights nigga)

Intro 2x:

Watch out who you fuckin' with, watch out who you  
fuckin' with  
Watch out - nigga - watch out who you fuckin' with

100 percent independent I'm the fuckin' boss  
The only unsigned nigga wit a code of bold in the  
source  
The hood is not stupid, we know the mathematics  
I make double what I would going gold on Atlantic  
'Cause EMI, Sony, BMG, Interscope,  
Would never sign a rapper wit the white house in his  
scope  
They push pop music like a religion, anorexic celebrity  
driven  
Financial fantasy fiction,  
Contradiction 'cause the life we was given resembles  
life in prison  
Spent time with Manuel Noriega  
The real Noriega who did America a hundred favors  
In the contracts of the CIA  
Movin Escobar's Coke through the MIA  
This is the 3rd world speakin' through a dead man  
walkin  
And everybody talkin' bout the south takin over,  
It's true motha fucka, but is comin over the border  
Fuck your chain, my people will kill you for water  
Fuck fans, nigga, I got soldiers supporters  
That'll cut ya throat if you strapped with a tape recorder  
That's right motha fucka welcome to the New World  
Order  
Where the truth is always censored by corporate  
reporters  
The government runs the drugs politics on the corner  
That's why I never stress rappers and they're  
employers  
I put a bag over your fuckin head and torture your  
lawyer

'Cause it's too simple to shoot you, Ill taser the roof of  
your mouth  
And electrocute ya, I'll root you out with the Ruger,  
The German Lugar U-boat,  
And the troops and the scuba, nigga  
You can't overthrow me like the island of Cuba  
Niggas will never find your body like the bitch in Aruba  
And I'll maneuver through the state depart men and  
their friends  
With secret deals like the Nazi's and IBM  
And now you know, this aint a trend or a passion  
It's my life and my Passion  
Fuck tryna to cash in nigga,  
I need more than advancement and a rented mansion  
So while you house niggas singin' and dancin'  
I'll kill you and take your land like an Israeli expansion
