Kano wins.
Use your might! Kano fight.
The world is at your feet.
Fight! Use you might!
I'm on your side.
Kano Wins.
Use your might! Kano fight.
The world is at your feet.
Fight! Use your might.
I'm on your side.
You are wanted, and you're haunted.
You're the Bad Guy, but I feel for you.
You're the danger, a fallen angel.
But I like you, you're the strongest of the all.
Whooo!
Whooo!
Ahhohhh!
Use your might! Kano fight!
The world is at your feet.
Fight! Use your might. I'm on your side.
You are wanted, and you're haunted.
You're the Bad Guy, but I feel for you.
You're the danger, a fallen angel,
but I like you.
You're the stongest of them all.
You're the danger, a fallen agent,
but I like you.
You're the strongest of them all.
Kano wins.
