Eternal Life
Raiden
Eternal Life
Raiden
Eternal Life

The Kombat King!
The best of the best
Just look at Raiden and you cannot rest
I'll jam solid as a rock
He gives a Ka-Boom with a fiendish shock
With powers of electricity
He disappears you cannot see him move
Cause Raiden flies
The superman with Eternal Life

Back in, I'll power up
Back in, I'll power up

Forces of lightning
Power in the sky
The thunder warrior he's got no eyes
He fights with the intensive lust
He'll storm you into a pile of dust

Eternal life
We all know he's not afraid
'Cause Raiden can't die
Eternal life
He lives in thunder clouds
And comes down from the sky
We all know he's not afraid
'Cause Raiden cannot die
He lives up in the thunder clouds
He comes down from the sky
He's the thunder warrior
With eternal life
He's the electric fighter
Stranger in disguise

Raiden

Raiden
Eternal life
Eternal life

The sons of power electricity
Just look at Raiden and you will see
His strings comes out of the skies
The mystical fighter he's got no eyes
He's tall and that 'cause he's blind
The superman with eternal life
So clean he's all dressed in white
The warrior with the endless fight

Back in, I'll power up
Back in, I'll power up

The forces of lightning
Power in the sky
He's not afraid he can not die
He fights, it's a deadly must
He's gonna storm you into a pile of dust

Eternal life
We all know he's not afraid
'Cause Raiden can't die
Eternal life
He lives in thunder clouds
And comes down from the sky
We all know he's not afraid
'Cause Raiden cannot die
He lives up in the thunder clouds
He comes down from the sky
He's the thunder warrior
With eternal life
He's the electric fighter
Stranger in disguise

Eternal life
Eternal life

Eternal love
Eternal love

Back in, I'll power up
Back in, I'll power up

The forces of lightning
Power in the sky
The thunder warrior he's got no eyes
He fights it's a with intensive lust
He's gonna storm you into a pile of dust

Eternal life
We all know he's not afraid
