I'm Sonya Blaze so be prepared
I'll knock you right off the air
I'm left right up and down
The quickest flip-chick in the town
I control the air
Don't you dare to attack me
I'm everywhere
Don't try to fool me
Don't forget
I can kill you with my Kiss of Death!

Can't you see I'm here it's me
The lady with the energy
Can't you see the Power in me?
Can't you see, I'm here it's me
The lady with the energy
You will see the Fire in me!
Go, Go, Go!
I'm gonna stand up and fight!
Go, Go, Go!
Cause it's fight for the right!
Go, Go, Go!
And then power tonight
Go, Go, Go!
Why what with power inside!

I'm Sonya Blaze not just pretty thing
I'll hit you with my sonic ring
Up, down, left, and right
I'm superwoman stand up and fight,
I'm the coolest chick in the U.S.A.,
I'm 26 and on my way
To become the best,
I love to fight!
To win the contest and have a rest!

Can't you see I'm here it's me
The lady with the energy
Can't you see the Power in me?
Can't you see, I'm here it's me,
The lady with the energy?

You will see the Fire in me!

Go, Go, Go!
I'm just stand up and fight!
Go, Go, Go!
Cause it's fight for the right!
Go, Go, Go!
And win that power tonight!
Go, Go, Go!
I've got great power inside!

Can't you see I'm here it's me?
The lady with the energy,
Can't you see the Power in me?
Can't you see, I'm here it's me?
The lady with the energy,
You will see the Fire in me!

Go, Go, Go!
I'll just stand up and fight!
Go, Go, Go!
Cause you fight for the right!
Go, Go, Go!
And win the power tonight!
Go, Go, Go!
I've got great power inside!

Go, Go, Go!
I'll just stand up and fight!
Go, Go, Go!
Cause it's fight for the right!
Go, Go, Go!
And win the power tonight!
Go, Go, Go!
I've got great power inside!
