He-ah-oo-woah-la-la, He-ah-oo woah...

A new kind of love
Dramatically altered
Enough of love life
And I can't believe its not love.

I can't help myself
And you don't have to say that
It sparks across flames
You feel it kicking in soon

I have fallen in love
By the feeling you are
I have fallen in love
With the feeling

He-ah-oo-woah-la-la, He-ah-oo woah...

So you're running late,
And it's not even like you
You were doing so well
Did the dog eat your homework again?

I can't help myself,
Cause my friend says in real life
It's only the police,
That ever come looking for you

I have fallen in love,
By the feeling you are,
I have fallen in love,
With the feeling

I have fallen in love,
Her only the feeling you are,
Cause if you're falling in love,
Let me feel it

Nothing busy, you'll know that,
You know you're just saying that.
Are you going to get back?

What's that supposed to be mean?

I've been busy, you know that,
You know you're just saying that.
Are you going to get back?
What's that supposed to mean?

I have fallen in love,
By the feeling you are
I have fallen in love
With the feeling

I have fallen in love
Her only feeling you are,
Cause if you're falling in love,
Let me feel it

He-ah-oo-woah-la-la, He-ah-oo woah...
(Let me feel it)
He-ah-oo-woah-la-la, He-ah-oo woah...
(Let me feel it)
