Drifting though the atmosphere
And up into space
Leave behind the moon he's sitting
In his special place

Some flutterbies they enter and they Play around in my soul And once again part of me Fills up to be whole

Da da day Just flying in my airplane.

Peaceful colours everywhere Purples and deep blues Feeling so at home here oh As if up here I grew

It's so beautiful up here now, Oh I think I might just stay All alone and by myself So free and far away

Da da day I'm with my aeroplane

I can see heaven
Heaven down below
I look at heaven
And an angel who I know
I can see heaven
Heaven down below

Da da day I'm with my aeroplane

Just happy to be me again.
