( with urban species )  
Music is my blanket  
Will be music is my ? ?  
Emotionless this city lies  
Cruel it is, it clouds my eyes  
The dark the dark  
Shades of my day  
I live inside this place  
Locked up inside my little cage  
Always tense and filled with rage  
Above the concrete fields below  
With you I wanna go, wanna go  
Music is my blanket  
Will be music is my ? ?  
I see only what I wanna see  
I'll be only what I wanna be  
My blanket covers me, yes  
Yeah, check it  
Yeah as a human I was born ? ? ?  
Traded my albino ( ? )  
? ? ? gyro  
But I ? ? ?  
? ? ? consume  
All these decent melodies  
That keep realities at bay  
? ? ?  
Start to fade away, fade away  
Alone withint myself again  
I try to veil away my pain  
The dirty grey surrounding me 'round

And now I hear no sounds...  
I feel like ? ? ? from ? ?  
As I wonder how I keep from going under  
I got trouble on my mind like my name is chuck d  
And like marvin gaye it makes me wanna holler  
When the music hits me  
I feel no pain  
That's why I got to put you on again and again  
I take the needle off the deck  
? ? ? in my vein  
As the rush hits my brain

And the pain goes, trouble down the drain  
I see only what I wanna see  
I be only who I wanna be  
My blanket covers me  
Music is my blanket  
Will be music is my ? ?  
I see only what I wanna see  
I be only who I wanna be  
My blanket covers me  
Music is my blanket  
Will be music is my ? ?  
You are my living world  
You are my living world  
You are you are you are my  
My only living world....
