Slow hard
Dog wait
Down love
Black canvas
Revolve within
You understand.

Fragile
Earth where
Cracks in the temperature
Keep it cool
To give, you understand
Keep it cool
To give, you understand

Slow hard
Dog wait
Down love
Black canvas
Revolve within
You understand.

Fragile
Earth where
Cracks in the temperature
Keep it cool,
To give, you understand

'Cuz I just can't find the strength to pull you up
And keep you taut
No I just can't find the strength to hold you up
And keep you taut

Hijacked
Lost track
Light fades another day left
Long shadows lure you in.

The more you lose the less you see,
So close your eyes and start to breathe,
Oh you said yourself, this wasn't easy.

Oh you said yourself, this wasn't easy.

Oh I just can't find the strength to pull you up
And keep you taut.
No I, just can't find the strength to hold you up
And keep you taut.

Woah woah woah woah woah
Woah woah woah woah woah
Woah Woah woah woah woah Woah
Da da da
Woah woah woah woah woah
Woah woah woah woah woah
Woah woah woah waoh waoh woah
Dada da da

'Cuz I just can't find the strength.
To Keep you taut.
