It's dark in here
Visions are flashing into my head as I reminisce
My reoccurring dreams and you said, "I'm falling"
"Falling for you babe and my feelings are getting
stronger"
"So why don't you stay with me for a"
"For a little while longer"

Come here boy
Oh
Oh come here boy yeah
Come here boy
Oh
Oh come here boy

I know that my face is only too familiar to your sleep
I can see it in your eyes
I can tell by your body heat
Why are you taking so long
You need to come and find me honey
To set your mind at rest and let your dreams run free

Come here boy
Oh
Oh come here boy yeah
Come here boy
Oh
Oh come here boy yeah

Come here boy
(Come here boy)
Oh
Oh come here boy yeah
Come here boy
(Come here boy)
Oh
Oh come here boy

You know I'm no stranger in your dreams
Hey hey
You know I'm no stranger in your dreams

I'm craving
I'm howling
I'm begging
I'm pleading
Be mine tonight

Oh and I'm waiting
I'm dying
I'm wanting and needing to show you a night

Where I'll be touching and holding
Caressing and giving you your every fantasy

I'll get you dreaming and lusting and burning and
praying
For more of this ecstasy
Oh yeah

Come here boy
Oh
Oh come here boy yeah
Come here boy
Oh
Oh come here boy yeah

Come here boy
(Come here boy)
Oh
Oh come here boy yeah
Come here boy
(Come here boy)
Oh
Oh come here boy
Oh

Ooh
Yeah
Doo yeah ooh
La dee die
I'm a singer in your dreams
