I paint the two of us on a canvas in chains

I hung it on the wall so the story sustains and I layer

the colors with care in veils with the sky boarder than

an ocean and higher than high

I will remember

I will remember

I will remember these embers of love

and I will remember

I will remember

I will remember these embers of love

I'll never take it down

I'll never take it down

I'll never take it down

I'll never take it down

I'll never take it down cemented in its socket as

long as I love

well lucky you to have me by your side

never would you know never could you decide

taking my hands as your own, cover it in gold

leave me for a moment and I watch you grow old

I will remember

I will remember

I will remember these embers of love

and I will remember

I will remember

I will remember these embers of love

I'll never take it down

I'll never take it down

I'll never take it down

I'll never take it down

I'll never take it down cemented in its socket as

long as I love

I will remember these embers of love
