Imogen Heap
"Glittering Cloud"

I'm not always like this
It's something I've become
A terrible weakness
In my nature, in my blood

Save me, oh save me
Save me from myself
Before I hurt somebody else again

Domino motion
Jump starts when we touch
A blackout approaching
Here it comes now, wish me luck
It's all over, it's all over, it's all over in a flash
I can't remember what have I done now?

Go, go, faster wider
More, more get it down, yeah
Dance, dance
Take me over glittering clouds

Go, go faster wider
More more get it down, yeah
Dance, dance
Take me over glittering clouds

Oh, my head hurts

Oh dear, oh dear
It's all over the papers
And the TV, wagging tongues
The artist's impression looks

Just like me, only better
Don't blame me, don't maim me
I can't help what I am

Oh, Lord knows I've tried to

Go, go, faster wider
More, more get it down, yeah
Dance, dance

Take me over glittering clouds
Go, go faster wider

More more get it down, yeah
Dance, dance
Take me over glittering clouds

Go, go, faster wider
More, more get it down yeah
Dance, dance
Take me over glittering clouds
Go, go faster wider

More more get it down yeah
Dance, dance
Take me over glittering clouds

Glittering clouds
Glittering clouds

Go
More
Dance
