Little bird, little bird, little bird
What do you hear?
The clink of morning cheers
Orange juice concentrate
Crossword puzzles start to grade
One across
Four letter word, it's just not sitting

Little bird, little bird, little bird
What do you see?
A picture perfect scene
Two toned lawns are manicured
The gardens wearing haute couture

It's hiding something
It's trying too hard
Hiding something
It's trying too hard

Little bird, little bird, little bird
Where are they now?
Day time tv lounge
A carriage clock, a mantle piece
A family wiped up, j cloth cleaned
Unsaid, festers in the throws of the sofa

Little bird, little bird, little bird
How are you feeling?
Like? quarantine
Pearly whites, touch down smile
Haps and creases round the eyes

Tell tale, heart sail
We smell rats in the kitchen
Tell tale, heart sail
We smell rats in the kitchen

Little bird, little bird, little bird
What can we do?
A think tank think rescue
Simon says, etch a sketch
Send a golden message only he would get

Quickly now
Cause this is not how it ends

Little bird, little bird, little bird
(Little bird, little bird, little bird)
Well I've got one more question
(Little bird, little bird, little bird)
And I swear I'll let it rest
(Little bird, little bird, little bird)
Well I've just one more question
(Little bird, little bird, little bird)
And I swear I'll let it rest

One more question
I'll let it rest
I swear I'll let it rest
Got one more question
(And I swear I'll let it rest)
I've got one more question

Little bird, little bird, little bird
Where have you gone?
