Naseeba

Nearly every inch of us on the line  
Plucking on the string of everything  
That could have been  
such unrescued treasure  
fractals of her lives

Tham ja murh ja naseeba

Kahaan le aaye naseeba

If you move like lightning  
Charging through the angry skies  
And ends us sent on the arrow of time

Kahaan le aaye naseeba

But we just might make this path  
We need our heads up high  
So this story continues with  
Minds without fear

Baadal lehraaye maat ka jo

Ban jaa bijli baadal ko cheer tu

Rooh ko kar de yun roshan  
Bas mushqil hai naamumkin toh nahi

Ban jaa bijli naseeba

Kahaan le aaye Naseeba

If you move like lightning  
Charging through the angry skies  
And ends us sent on the arrow of time

Kahaan le aaye naseeba

But we just might make this path  
We need our heads held high

And this story continues with  
Minds without fear

Jhi jhi re jhi jhi re jhi jhi re jhi jhi re  
jhi jhi re jhi jhi re jhi (x4)

Kahaan le aaye Naseeba

If you move like lightning  
Charging through the angry skies  
And ends us sent on the arrow of time

Kahaan le aaye naseeba

But we just might make this path  
We need our heads up high  
So this story continues with  
Minds without fear
